THE SENIOR CLASS OF
CHASE CITY HIGH SCHOOL
CHASE City, Virginia

We are proud to present to you the ninth edition of "The Mirror," an annual production of Chase City High School. Into this production has gone the work of many people, directly or indirectly, among the administrative and instructional forces, or the students themselves. Each scene portrays the actual life around CCHS and the Acts encompass the entire high school system. The editorial staff sincerely desires that you may enjoy this, the product of our efforts, "The Mirror of 1954."

We believe with *Jaques*:
"All the world's a stage
And all the men and women merely players.
They have their exits and their entrances;
And one man in his time plays many parts ..."
Shakespeare: *As You Like It*

THE SPOTLIGHT BEAMS ON.....

Mrs. Elizabeth Willis

The 1954 Mirror shines its spotlight on one who with wholehearted devotion to service enriches our school life, who with ever ready kindness and sincerity establishes a friendship that we shall always value.

Service is one thing, a lovable personality another-- the two combined are what we, with pride, gratitude and respect, honor as we dedicate The Mirror to Mrs. Elizabeth Willis.

Hi Ca. Cai
I really have enjoyed going to school with you this year. Especially being in first-period with you + all the trouble we get in! Was that orange "popsicle" good? Salsa have thoroughly enjoyed double-dating with you! Rose Clarkmicle "turns"! They are right sweet though, aren't they? Don't forget the fun we had on the geese on Easter Monday although I did get mad with a certain little soul! I could so much for that + now Lou do you like that Silver-white Cortan? We go with the boys (cough) that owns Cortais + Cadillacs, but then somehow are another we always turn back to the ones that owns the "Fords" + "Dodges"! All I can say is that we're really had a "lunch" of fun + I'm looking forward to the summer + next year. Hold old Vernon down!!

All of My Love,
(Besides part 2 leave for F.L.)
